

Dear PAWS supporter

Firstly, the holiday season is almost upon us, so I would like to, on behalf of all at PAWS, extend a warm welcome to the holiday makers, wishing you a very happy Festive season. Tick and flea season is also with us so please be aware that your animals need to be dipped or treated with an effective preventative on a regular basis. There has been an increase in the number of animals with biliary – make sure that any animal not eating is taken to a vet as this is the first symptom you would notice. Quick reactions may ensure that your precious pet survives biliary!

Plett has several whatsapp groups for lost and found animals - all of which have been very effective in managing to get lost animals back to their owners very quickly. If you find a lost animal, please take a photo, and put it on one or more of the groups and if possible, take it to a vet, all of whom have scanners for "identipet" subcutaneous tags. Whatsapp Groups:

- New Plett Lost and Found | Plett Walkabouts | Facebook – Plett Lost and Found Pets Only

If you see a lost animal, you can also phone Tracy at PAWS on +27(0) 832879917. If possible, stay with the animal until she can get there. Most sightings result in a wasted effort as the animal has disappeared and is nowhere to be found.

Thank you to all who contribute to making PAWS a functioning charity, you are much appreciated. Di.

Di Butlin PAWS Chairman & PAWS Committee members and staff

Dog-Friendly Beaches - Plettenberg Bay

The Greater Plettenberg Bay area has fantastic diversity in both Fauna and Flora and to celebrate this, was classified as an Important Bird and Biodiversity Areas (IBA) by Birdlife South Africa in 2015. To maintain this status, we need to zone beaches in a way that protects our shorebirds while also being inclusive to both dog owners and holiday makers that enjoy our beaches.

As such dog zonation of beaches are in place. Please keep an eye out at beach entrances for the zonation – detail can be found on Plett Tourism website

<https://www.plett-tourism.co.za/about/dog-friendly-beaches/>

Remember, if your dog poops, you scoop!
Please encourage all dog owners.

PAWS Poo bags can be bought from Robberg Vet, Plett Valley Vet, BI vet shop, Horse and Hound and Pampered Pooch grooming parlour.

For the months of September, October & November 2021 your membership &/ contribution has helped:

Vaccinated	92
Dipped	1620
Sterilized	49
Adopted	21

Priorities MASS Vaccination Drive

THANK YOU FOR ADOPTING ME! Going from a street dog a much-loved PAWS boy is amazing, but nothing compares to finding your very own forever FAMILY!

Billy went from roaming the streets, to PAWS and now he is the sweetheart of a family who dotes on him!
